Copy Date [Adverts] 24 December 28 January 25 February 27 March 26 April 27 May 25 June 28 July 27 August 27 September 28 October 26 November 24 December

NOTES: Police Aviation News is primarily directed as an airborne emergency services news medium. It is the Editor's opinion that large air shows including Paris and Farnborough offer little for this market sector. As a result, although they are monitored and visited by the Editorial Team the publication does not concentrate its coverage on them.
